The rules

1. Keep the name you drew secret until the reveal.
2. Stay within the budget. It's a limit, not a target.
3. Check the wish list or questionnaire before you shop.
4. Check allergies before buying food, and skip strong scents unless you know they're liked.
5. Wrap your gift and write the recipient's name and "From your Secret Santa" on the tag.
6. Bring your gift by the exchange date, or post it in good time.
7. Keep it kind: nothing that could embarrass anyone.
8. Can't take part after all? Tell the organizer privately as soon as you can.
